

An aerial photograph of a residential development. The image shows several large, rectangular buildings with flat roofs, interspersed with parking lots and landscaped areas. A prominent feature is a long, narrow rectangular area in the center-right, outlined in blue, which appears to be a designated zone for trailers or mobile homes. This area is currently mostly empty, showing dirt and some sparse vegetation. To the left of this zone, there are several large, light-colored buildings, one of which has a colorful playground area. The overall layout is organized and planned. A blue text box with a white border is overlaid on the image, containing the text 'Zona de remolques'. A blue line points from the text box to the highlighted trailer zone.

Zona de remolques
